RESPONSE TO QUAYLE ACTION

Director of the U.S. Patent and Trademark Office  
Washington, D.C. 20231

Sir:

In reply to the October 7, 2002 Quayle Action, reconsideration is respectfully  
requested.

Claims 1-45 are pending. The Quayle Action indicates that these claims are allowed.

However, the Quayle Action requests that formal drawings be provided to cover the  
September 19, 2002 drawing corrections. Thus, a Letter to the Official Draftsperson is  
attached submitting the formal drawings.

The Quayle Action also requests that the original Letters Patent be submitted. Thus,  
the original Letters Patent is attached.
